LES PAWTOUNES DOG TRAINING

Private Dog and Puppy Behavioral Training

SOUTH BAY, LOS ANGELES • PRACTICAL COACHING FOR REAL LIFE

Training that helps you understand your dog.

Private training is tailored to your dog, your household, and the skills you want to build. Sessions combine hands-on training with coaching, so you understand what your dog is learning and can apply the plan consistently at home. Puppy training places particular emphasis on thoughtful, age-appropriate social exposure to people, places, surfaces, sounds, movement, and everyday situations.

PRICING | SOUTH BAY

\$350 **Initial session • 90 minutes**
Discuss priorities, review your dog's routine and environment, and begin a tailored training plan.

\$275 **Individual follow-up • 60 minutes**
Continue coaching, review progress, and adjust the plan as needed.

\$800 **Three-session package**
One 90-minute initial session + two 60-minute follow-ups. Includes recaps, homework, and defined between-session feedback.
Save \$100

TRAINING AREAS

- Behavioral issues: fear, reactivity, anxiety
- Housebreaking and crate training
- Jumping, nipping, and chewing
- Structure, routines, and settling skills
- Leash introduction and walking skills
- Social exposure and socialization
- Confidence building
- Impulse control and calm behavior
- Practical skills for everyday life

BETWEEN-SESSION SUPPORT

Package clients may submit up to two short training videos (five minutes combined) between sessions for focused feedback on the current plan, with one consolidated response per submission. Brief questions related to the plan are welcome; new concerns or extensive troubleshooting may require a separate session. Progress depends on your dog's needs and consistent practice.
